

Manuel Ramos-Francia

Manuel Ramos-Francia has a B.A. in Economics (with highest honors) from the Instituto Tecnológico Autónomo de México (ITAM). He was awarded a Fulbright Scholarship for graduate studies in the United States. He holds a Ph.D. in Economics from Yale University, where he graduated in 1993, specializing in Advanced Economic Theory and Financial Economics.

He has been Professor of Economics, having taught Advanced Macroeconomics, Open Economy Macroeconomics, Monetary Theory and Policy, and Financial Economics, and Director of the Center for Analysis and Economic Research at ITAM in Mexico. Dr. Ramos-Francia has held several positions at the Ministry of Finance: Deputy Minister (for Revenues), Chief Economist, and Chief Adviser to the Minister of Finance. He joined Banco de México in 2001, first serving as a Senior Adviser to the Board, then as Director General for Economic Research (Chief Economist) and, from April 2011 to December 2018, as Vice-Governor and Member of the Board. Currently, he is the Director General of the Center for Latin American Monetary Studies (CEMLA).

He has given seminars at Universities such as Yale Economics, Harvard Business, Harvard Law, Columbia Public Policy, the University of Chicago Business, and ITAM, among others. He has also given conferences and seminars at many central banks such as the Fed, the NY Fed, the Bank of Canada, the Bank of England, the Banque de France, and the central banks of Argentina, Peru, Guatemala, Turkey, and others, as well as at international financial organizations such as the IMF, the BIS, the World Bank, the IIF, and the IADB. Also, at organizations such as LACEA, LAMES, the International Economic Association (IEA), the Reinventing Bretton Woods Committee, and the Adam Smith Seminar. He has also been invited to be a member of the Bretton Woods Committee.

Manuel Ramos-Francia represented Mexico in the G20 Central Bank Deputies Group from 2010 to 2018. He was Chairman of the Deputies of the International Monetary and Financial Committee (IMFC) of the IMF from 2015 to 2017. Similarly, he presided over the Central Bank Deputies Group under Mexico's G20 Presidency in 2012. He was given the Professional Merit Service Award from ITAM in 2009.

He has published various articles on monetary policy, fiscal policy, trade and applied econometrics in refereed economics journals such as:

Journal of Money Credit and Banking,
Economics Letters,
Journal of Financial Stability,
Quarterly Journal of Finance,

and many others, as well as in specialized books. He has refereed for journals such as: *Journal of Money, Credit and Banking; Empirical Economics; Review of World Economics;*

International Journal of Economic Sciences and Applied Research; The World Economy; International Review of Economics and Finance; Economics Bulletin; Revista Cuadernos de Economía; Revista de Métodos Cuantitativos para la Economía y la Empresa; and, Economía Mexicana, Nueva Época.

He is member of the Editorial Board of *Monetaria*. Also, he was a member of the Association of the IJCB's (*International Journal of Central Banking*) Management Committee.
