PARALLEL SESSIONS

FRL 2022 CEMLA conference is a hybrid conference (both in-person and online paper presentations). All sessions will be carried out through the **Blackboard Collaborate (BBC) platform**. In the Detailed Schedule (see below) you will find the links to each session. All presenters and discussants must share their presentations online, and they will be responsible for ensuring that their presentations are shared appropriately.

Presentation structure: 18 min presentation + 7 min discussant + 5 min Q&A for each paper

The session chair is responsible for directing any Q&A and for ensuring that the session starts and ends on time. Any time left at the end of each session will be devoted to general Q&A on all papers presented during the session. Presenting Authors are therefore asked to remain in their rooms until the end of the session. The order of the papers to be presented should not be changed.

Keynote: 45-1hr presentation + 15-20 min Q&A

In-person attendees will have the **Auditorium Javier Márquez** available at CEMLA to be able to connect to the online sessions using their laptop.
