

2023 Latin American Journal of Central Banking Conference

CALL FOR PAPERS

July 6 - 7, 2023 – Mexico City (hybrid)

The Center for Latin American Monetary Studies (CEMLA) is pleased to organize the first version of the Latin American Journal of Central Banking (LAJCB) Conference, to be held on July 6 - 7, 2023. CEMLA invites paper contributions broadly covering topics of interest to central banks, including but not limited to monetary theory and policy, finance, financial stability, climate change concerning financial systems, financial market infrastructures and technologies. The conference is open to papers that may or may not wish to be published in the LAJCB.

Papers accepted for presentation will be discussed by another speaker within the same session. Accepted papers, presentations, and discussions will be posted on the Conference website to facilitate the discussion among participants.

Keynote Speakers

Keynote Speaker 1
Keynote Speaker 2

Venue

The conference will be held in Mexico City in a hybrid format (in-person and digitally). There is no registration fee. There is a limited budget for economy flights and hotel expenses for in-person speakers upon acceptance of the paper for the conference.

Conference Special Issue

A special issue of the [*Latin American Journal of Central Banking*](#) will include selected papers presented at the conference.

Special Issue Award

All accepted papers in the Special Issue will receive a compensation of 2,000 USD each, which CEMLA will fund. The monetary prize will be divided into equal parts among each paper's authors. A single award will be given per paper among all CEMLA special issue awards.

Important Dates

May 12, 2023. Submission deadline. Please submit your paper to conference@cemla.org

May 22, 2023. Notification of paper acceptance

May 31, 2023. Deadline for conference registration (there is no registration fee)

July 6 - 7, 2023. Conference dates
