SEPTEMBER

2023

CDMX
Local time
(UTC -6)

09:00 – 10:30

Session 2. Priorities in dealing with cryptoassets and stablecoins

What are the challenges facing regulators in Latin America? What are the regulatory/supervisory issues in relation to cryptoasset service providers that authorities are currently focussing on? How do stablecoins fit into the current regulatory categories? Have authorities issued new standards or guidance, or are in the process of doing so?

Pedro Henrique Nascimento Silva, *Coordination of Non-Banking Products and Services, Banco Central do Brasil*

Daniel Adolfo Deras Valle, *Financial Regulation Manager, Banco Central de Reserva de El Salvador*

Elisabeth Noble, *Senior Policy Expert, EBA*
