

## IMF-CEMLA Workshop on Cyber Resilience in Latin America and the Caribbean

October 3, 2023

### Agenda

**Workshop aim:**

Growing digitalization, expanding interconnections, and increasing frequency and sophistication of cyber incidents has impacted the digital landscape. Ensuring operational and cyber resilience has assumed significance for financial sector regulators and supervisors. This workshop will discuss the key areas of focus going forward, to ensure that regulators and the financial sector strengthen their cybersecurity preparedness in a changing landscape.

**Mode:**

Virtual (via Zoom) – English (with Spanish interpretation provided)

**Sponsors:**

The Center for Latin American Monetary Studies (CEMLA) and the International Monetary Fund (IMF).

**Participants:**

Central banks authorities from Latin American and Caribbean

**Moderator of the day:** Gerardo Hernández-del-Valle, *Director DIMF, CEMLA*
