

# 3rd CEMLA / Dallas Fed / IBEFA Financial Stability Workshop: Frontier Research in Financial Intermediation

## CALL FOR PAPERS

November 25 - 26, 2024 – Mexico City

The Center for Latin American Monetary Studies (CEMLA), the Federal Reserve Bank of Dallas, and the International Banking, Economics and Finance Association (IBEFA) invite submissions to their 3rd Financial Stability Workshop, to be held on November 25 and 26 2024 at CEMLA's offices in Mexico City. We invite theoretical and empirical submissions focusing on the interplay between financial intermediation, banking, and financial stability, on topics including:

- Interactions between monetary policy, inflation dynamics, and financial stability
- Lending technologies and FinTech
- Financial fragility through cross-border spillovers
- Liquidity risks and wholesale funding markets
- Climate finance
- Risks in housing and real estate markets
- Latest developments in prudential policies and regulation

CEMLA invites submissions for a special sponsored session dedicated to discuss outstanding research relevant for Latin America and the Caribbean. Authors indicating in their submission a preference for a dual-track submission will have publication opportunities in the *Latin American Journal of Central Banking*.

Participants are expected to cover their travel expenses; sponsors will offer to cover accommodation for invited participants. Please submit papers to: [fsworkshop@cemla.org](mailto:fsworkshop@cemla.org) using the subject line "Submission – FSW". Submission deadline is **May 27, 2024**. The authors will be informed of the final acceptance in early July 2024.
